Britain's a better bargain with BritRail.

8 days unlimited rail travel only $44.

A $44 economy BritRail Pass gives you 8 days unlimited rail travel through all of England, Scotland and Wales (first-class $66).

Which saves you money and gives you complete travel freedom. 1800 trains a day take you to every major city and everywhere else in between. So you'll have no trouble at all just making up plans as you go along.

TOWER BRIDGE, LONDON

LONACH GAMES, ABERDEENSHIRE

You don't have to travel every day to make a BritRail Pass a bargain. But isn't it nice to know you have this choice?

If you can stay in Britain longer, we have other passes too: Our 15-Day Economy Pass for $61 (first-class $83); our 21-Day Economy Pass for $77 (first-class $99); and our 1-Month Economy Pass for $105 (first-class $127).

If you're between the ages of 14 and 22, our 8-Day Youth Pass costs $35; our 15-Day Pass costs $50; our 21-Day Pass costs $63; and our 1-Month Pass costs $94. (Fares subject to change.)

STONEHENGE, WILTSHIRE

LITTLE MORETON HALL, CHESHIRE

NOTE: BritRail Passes are not sold in Britain. You must buy them in North America before you leave. But there's an advantage, too. Because prices are not subject to currency fluctuations.

Also, you might like to know about the Open To View Pass. It admits you to over 400 castles, gardens and museums for only $7.00.

For more information, see your Travel Agent. Or mail in the coupon below.
